

Warranty

Pinnacle Sales, Inc. products are manufactured in factories that are ISO 9001/14001 Certified and ASTM/STMC Certified. We warrant them to be free of defects due to workmanship. We also warranty that if under normal use, our products have been found to damage the equipment, we will pay for reasonable and customary charges to repair or replace the machine at our discretion. A letter or invoice from an Authorized repair technician stating that the Pinnacle Sales, Inc. supplied product is the sole cause of the machine damage must accompany the warranty claim.

Guarantee

All products carry a 100% Unconditional Guarantee to perform equal to or greater than the OEM product. If you are dissatisfied for any reason, we will credit 100% of the purchase price!
